Dyslexia-Friendly Scoring Guide:

< 40 : Highly Challenging

40-50 : Challenging

50-55 : Dyslexia-Friendly

55-60 : Highly Dyslexia-Friendly

> 60 : Extremely Dyslexia-Friendly

Overall Dyslexia-Friendly Score: 44.14

Lowest scoring chapter: Chapter 106 with a DF Score of 38.30. This chapter had high Avg Syllables per Word which contributed to difficulty.

Highest scoring chapter: Chapter 122 with a DF Score of 68.22. Strong performance in Dyslexia-Friendly Score helped readability.

Dyslexia-Friendly Score Trend

Z-Score Heatmap

Chapter Outlier Explanations

Chapter Chapter 3 has outliers in: high Sentence Count, high Word Count, high Sensory Words. These may reduce the DF Score.

Chapter Chapter 16 has outliers in: high Sentence Count, high Word Count, high Passive Sentences, high Rare/Abstract Words, high Sensory Words. These may reduce the DF Score.

Chapter Chapter 31 has outliers in: low Avg Word Length, low Avg Syllables per Word. These may reduce the DF Score.

Chapter Chapter 32 has outliers in: high Sentence Count, high Word Count, high Passive Sentences, high Rare/Abstract Words. These may reduce the DF Score.

Chapter Chapter 33 has outliers in: high Avg Syllables per Word. These may reduce the DF Score.

Chapter Chapter 35 has outliers in: high Avg Sentence Length. These may reduce the DF Score.

Chapter Chapter 36 has outliers in: high Sensory Words. These may reduce the DF Score.

Chapter Chapter 37 has outliers in: low Avg Sentence Length, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 38 has outliers in: low Avg Sentence Length, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 39 has outliers in: low Avg Sentence Length, low Avg Word Length, low Avg Syllables per Word, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 40 has outliers in: high Sentence Count, low Avg Sentence Length, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 41 has outliers in: high Rare/Abstract Words. These may reduce the DF Score.

Chapter Chapter 42 has outliers in: high Rare/Abstract Words. These may reduce the DF Score.

Chapter Chapter 45 has outliers in: high Rare/Abstract Words. These may reduce the DF Score.

Chapter Chapter 46 has outliers in: high Avg Word Length, high Avg Syllables per Word. These may reduce the DF Score.

Chapter Chapter 48 has outliers in: high Sentence Count. These may reduce the DF Score.

Chapter Chapter 50 has outliers in: high Avg Sentence Length. These may reduce the DF Score.

Chapter Chapter 54 has outliers in: high Sentence Count, high Word Count, high Passive Sentences, high Rare/Abstract Words, high Sensory Words. These may reduce the DF Score.

Chapter Chapter 60 has outliers in: high Avg Sentence Length. These may reduce the DF Score.

Chapter Chapter 64 has outliers in: high Sensory Words. These may reduce the DF Score.

Chapter Chapter 81 has outliers in: high Word Count, high Passive Sentences. These may reduce the DF Score.

Chapter Chapter 87 has outliers in: high Word Count, high Passive Sentences, high Rare/Abstract Words. These may reduce the DF Score.

Chapter Chapter 99 has outliers in: high Sensory Words. These may reduce the DF Score.

Chapter Chapter 108 has outliers in: high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 120 has outliers in: low Avg Sentence Length, low Avg Syllables per Word, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 122 has outliers in: low Avg Sentence Length, low Avg Word Length, low Avg Syllables per Word, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 125 has outliers in: high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 127 has outliers in: high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 129 has outliers in: low Avg Word Length, low Avg Syllables per Word, high Dyslexia-Friendly Score. These may improve the DF Score.

Chapter Chapter 133 has outliers in: high Sensory Words. These may reduce the DF Score.

Chapter Chapter 135 has outliers in: high Sentence Count, high Word Count, high Passive Sentences, high Rare/Abstract Words, high Sensory Words. These may reduce the DF Score.

Appendix: Feature Definitions

Appendix: Explanation of Features

- Sentence Count - Total number of sentences in the chapter.
- Word Count - Total number of words.
- Avg Sentence Length - Longer sentences often reduce readability.
- Average Word Length - Longer words are harder to decode.
- Syllables per Word - Higher syllable counts increase complexity.
- Passive Sentences - Indirect grammar is harder to follow.
- Rare/Abstract Words - Difficult to visualize or decode.
- Sensory Words - Support mental imagery and comprehension.
- Dyslexia-Friendly Score - Overall accessibility estimate (0-100).
