

Dear William and Hannah Readers,

Thank you so much for signing up and reading "William and Hannah Iron and Salt".

I hope you enjoy it! If you like the book, please leave some stars and an honest review on Amazon and Goodreads. That really helps a lot!

The second book in A Howard Family Series just got released last week and is part of this month's book promotion. The second book, "Charles and Anne Wind and Compass" is about William's grandfather and takes place during the Glorious Revolution. The Glorious Revolution was a prequel to the American Revolution in a way, because it ushered in a constitutional monarchy in which the King is subject to Parliament, rather than an absolute monarchy in which the King rules by divine right.

If you want to immerse yourself more in the world of William and Hannah, check out "Preacher on the Run" by Jayna Baas. In this book, a North Carolina Baptist Preacher is forced to adopt the life of a soldier during the same time period that William goes from soldier to North Carolina Baptist Preacher. If you read this book, please let me know what you think about the contrast.

Here's the link to the June Book Promotion.

Enjoy!
